Subject to our final contractual sign-off, the WTC BID Board has approved my recommendation to contract with Local Thunder for the project we have been discussing.

I've got an address / business listing spreadsheet for the WTC BID in process.

Thanks Alan. I'm looking forward to making this a project we are all proud of, particularly Miranda. Let's make a point of documenting how Westchester business volumes grow as a result of this project. What kind of data is out there about existing volumes? We need to document this foundation point, then measure growth over time after your project is implemented.

I'm looking forward to this! Let's talk. Thank you.
